Report on the Financial Statements

We have audited the accompanying consolidated financial statements of HIAS Pennsylvania (a nonprofit organization), which comprise the consolidated statement of financial position as of September 30, 2017, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HIAS Pennsylvania as of September 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The consolidating schedules on pages 14 and 15 are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2018, on our consideration of HIAS Pennsylvania's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of HIAS Pennsylvania's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HIAS Pennsylvania's internal control over financial reporting and compliance.

HIAS PENNSYLVANIA

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2017 and 2016

NOTE 1 - THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

The Organization

The HIAS and Council Migration Service of Philadelphia ("the Organization") is a not-for-profit organization located in Philadelphia, Pennsylvania, that provides aid to immigrants. The Organization operates under the name HIAS Pennsylvania.

The organization programs and supporting services are as follows:

Citizenship project - provides application assistance, civics/ESL instruction and legal representation by a legal support team on behalf of refugees and immigrants seeking naturalization.

Legal Services project - provides immigration legal assistance by staff attorneys, law clerks, accredited representatives and paralegals to immigrants and refugees of limited means. This program also provides technical assistance to service providers and non-attorneys in the organization and to the community at large.

Asylee project - provides information, referral and limited case management to asylees in Pennsylvania. In addition, the project develops and disseminates training material to professionals, service providers and asylees.

Resettlement program - provides resettlement and case management services for newly arrived refugees.

Fundraising - provides the structure necessary to encourage and secure private financial support from individuals, foundations and corporations.

General and administrative - includes the functions necessary to maintain an equitable employment program, ensure an adequate working environment, secure proper administrative functioning of the Board of Directors, and manage the financial and budgetary responsibilities of the Organization.

Pennsylvania HIAS Indigent Immigrant Legal Services (PHIILS) is a separate 501 (c)(3) non-profit managed by HIAS Pennsylvania which provides free immigration legal services to indigent individuals in Pennsylvania.

Date of Management's Review

Subsequent events were evaluated through April 18, 2018, which is the date the financial statements were available to be issued.

Basis of Accounting

The organization's accounting policies conform to generally accepted accounting principles, using the accrual basis of accounting.

Basis of Presentation

The financial statements are presented in accordance with FASB ASC 958 (formerly SFAS No. 117, Financial Statements of Not-for-Profit Organizations), which requires the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

HIAS PENNSYLVANIA

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2017 and 2016

NOTE 1 - THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Consolidation

These consolidated financial statements include HIAS and Council Migration Service of Philadelphia (HIAS Pennsylvania) and Pennsylvania HIAS Indigent Immigrant Legal Services (PHILS). PHILS is a not-for-profit organization incorporated by HIAS Pennsylvania, and is also related by common board members. All significant intercompany balances and transactions have been eliminated.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates are made in the functional allocation of expenses and the valuation of donated services.

Cash

Cash and other highly liquid investments with maturities of three months or less are considered to be cash equivalents.

The organization maintains its bank accounts in financial institutions with insurance provided by the Federal Deposit Insurance Corporation up to \$250,000. Uninsured balances of cash totaled approximately \$409,000 and \$301,500 as of September 30, 2017 and 2016, and were held primarily in money market accounts.

Cash includes balances restricted to use within the guidelines of grants from the organization's funding sources. These balances totaled approximately \$90,000 and \$55,000 as of September 30, 2017 and 2016.

Investments

Investments are reported at their fair market value in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Allowance For Uncollectible Amounts

Each account receivable and grant receivable is evaluated separately by management to determine collectability. An allowance for uncollectible amounts, if any, is based on this determination. There was no allowance at September 30, 2017 and 2016, as all amounts were considered collectible.

Property & Equipment

Property and equipment are carried at cost less accumulated depreciation and amortization and are depreciated over the useful lives of the assets using the straight-line method.

Contributions of cash that must be used to acquire equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

HIAS PENNSYLVANIA

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2017 and 2016

NOTE 1 - THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Recognition of Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Amounts released from restriction totaled \$285,400 and \$330,465 for the years ended September 30, 2017 and 2016.

Unconditional promises to give are recognized as revenues or gains to the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Functional Allocation of Expenses

The costs of providing the various programs and other supporting activities have been summarized on a functional basis in the statement of activities and in the schedule of functional expenses. Accordingly, such costs have been directly allocated among the programs and supporting services as shown on the schedule of functional expenses. Indirect expenses have been allocated using either actual staff time or facilities usage by each program.

Income Taxes

The organization is a nonprofit corporation exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision has been made for income taxes in the accompanying financial statements.

NOTE 3 - INVESTMENTS & FAIR VALUE MEASUREMENTS - CONTINUED

FASB ASC 820-10 (formerly SFAS No. 157, *Fair Value Measurements*,) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are those other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and Level 3 inputs are those unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities, and have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Organization, and Level 3 inputs are only used when Level 1 and 2 inputs are not available

Level 1 Fair Value Measurements

The fair value of investments are based on quoted net asset values of the holdings held at year-end.

NOTE 6 - NET ASSETS

Unrestricted Net Assets

Unrestricted net assets represent funds retained by HIAS Pennsylvania that were received without any donor-imposed restrictions. In addition, donor-restricted contributions whose restrictions have been met in the same reporting period are reported as unrestricted support.

The Board of Directors has elected to designate a portion of the Organization's unrestricted net assets to be used for certain purposes. These funds are placed in long-term investments, where pursuant to the investment policies, 5% can be utilized and expended each year. The balance of these designated funds was \$1,582,979 and \$864,756 as of September 30, 2017 and 2016.

Temporarily Restricted Net Assets

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS Year ended September 30, 2017

NOTE 1 - GENERAL INFORMATION

The accompanying Schedule of Expenditures of Federal Awards presents the activities in all federal awards programs of HIAS Pennsylvania. All financial assistance received directly from federal agencies, as well as financial assistance passed through other governmental agencies or non-profit organizations are included on the schedule.

NOTE 2 - BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-122, Cost Principles for Non-Profit Organizations, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The amounts reported in this schedule as expenditures may differ from certain financial reports submitted to federal funding agencies because those reports may be submitted on either a cash or modified accrual basis of accounting, or due to program expenditures exceeding contract budget limitations.

NOTE 3 - RELATIONSHIP TO BASIC FINANCIAL STATEMENTS

Federal Award expenditures are reported on the statement of functional expenditures as program costs. However, expenditures in the Schedule of Expenditures of Federal Awards for certain programs, which have incurred deficits, have been limited to the related contracted amount. In addition, for certain programs, the expenditures reported in the basic financial statements may differ from the expenditures reported in the Schedule of Expenditures of Federal Awards due to program expenditures exceeding grant or contract budget limitations which are not included as federal financial assistance.

NOTE 4 - INDIRECT COST RATE

The organization has not elected to use the 10% de minimis indirect cost rate.

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance With *Government Auditing Standards***

Board of Directors
HIAS and Council Migration Service of Philadelphia
t/a HIAS Pennsylvania
Philadelphia, PA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of HIAS Pennsylvania (a nonprofit organization), which comprise the statement of financial position as of September 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 18, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered HIAS Pennsylvania's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HIAS Pennsylvania's internal control. Accordingly, we do not express an opinion on the effectiveness of the HIAS Pennsylvania's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HIAS Pennsylvania's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for
Each Major Program and on Internal Control Over
Compliance Required by the Uniform Guidance

Board of Directors
HIAS and Council Migration Service of Philadelphia
t/a HIAS Pennsylvania
Philadelphia, PA

Report on Compliance for Each Major Federal Program

We have audited HIAS Pennsylvania's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of HIAS Pennsylvania's major federal programs for the year ended September 30, 2017. HIAS Pennsylvania's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of HIAS Pennsylvania's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about HIAS Pennsylvania's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of HIAS Pennsylvania's compliance.

Opinion on Each Major Federal Program

In our opinion, HIAS Pennsylvania complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2017.

Report on Internal Control over Compliance

Management of HIAS Pennsylvania is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered HIAS Pennsylvania's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of HIAS Pennsylvania's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
