

*Procedures to Donate Household Goods*

Thank you for your donation of household goods to HIAS PA. Please review the following information regarding our process.

All donations, except furniture items, can be brought to Main Line Reform Temple, 410 Montgomery Avenue, Wynnewood. Congregants volunteer to help HIAS PA in sorting and delivering your items to where they can be used by refugee families and individuals.

***We only ask that they be in decent usable condition, as we are not able to clean or repair donations.***

When you arrive at MLRT, you will need to be buzzed in. Please identify yourself as someone delivering donations for HIAS PA. Upon entering Main Line, you will see that there are several collection bins/boxes on the floor in the vestibule for various charities. One of them is a gray plastic bin and clearly marked for HIAS PA. Please place your donations in the HIAS PA bin.

If you need further assistance, enter the building, go through the second set of doors, go up the stairs and past the elevator, and there, you will find a person sitting at a window (on the left side) in the main office. You can ask them to call one of the custodial staff to help you unload your car, and then ask them to store it for HIAS PA. The men are very nice and know where we store the donations.

If you have any questions as to when the building is open on Sunday to Friday, please call the office at [610-649-7800](tel:610-649-7800).

If you would like a tax receipt, please email [community@hiaspa.org](mailto:community@hiaspa.org) and include a list of what items were donated.

Thank you for your support!

*Thanks so much for thinking of HIAS PA. Please note our standards of excellence and consider: would you be willing to give this item to a member of your extended family or a close friend? If the answer is no, then the item is not acceptable for donation.*
