

- ✓ Thank you for volunteering to join us with the Driving PA Forward letter writing campaign! Be sure to fill in the data with the blank lines. It is important that you provide your zip code. Two letters are provided: one for your state House rep, the other for Rep. Hennessey, Chairperson of the Transportation Committee.
- ✓ If you need help finding out who your Pennsylvania House legislator is, please go to the PA State website and enter your home address:  
<https://www.legis.state.pa.us/cfdocs/legis/home/findyourlegislator/>
- ✓ Write your name and a little about who you are and why you are concerned about the issue. For example... I am Jose and I am a parent, service provider, farm worker, worker in the food industry, business owner, faith leader, member of my church, etc.
- ✓ On the blank lines in your own words explain why passing driver license legislation is important to you.

**Note:** For the security of the data and because we know that some members of our community are concerned about sharing their addresses, we will be collecting the letters safely and taking them in person to the legislators' offices on December 14th. We ask that when you write the letter you give it to your organizer and each organization will be responsible to collect and sort the letters by District/Representative.

After writing your letter and delivering it to the organizers, enlist your friends and acquaintances to help us reach the goal of 6000 letters.
